APPOINTMENTS

Mount Holyoke College
Associate Professor, Department of Philosophy, 2020 — ongoing.
Assistant Professor, Department of Philosophy, 2017 — 2020.

University of Massachusetts at Amherst
Affiliate Graduate Faculty, Department of Philosophy, 2019 — ongoing.

Brown University
Assistant Professor, Department of Philosophy, 2013 — 2017.

EDUCATION

Massachusetts Institute of Technology
Ph.D. in Philosophy, 2012.
Dissertation: ‘Chance, Indeterminacy, and Explanation’
Committee: Brad Skow, Robert Stalnaker, Ned Hall

Cornell University
B.A. in Physics, Philosophy, 2005.
Summa Cum Laude

AOS Metaphysics, Philosophy of Physics.

AOC Epistemology, Philosophy of Science, Philosophy of Language, Applied Ethics.

HONORS & President of the Philosophy of Time Society, 2023-2026.

AWARDS Finalist, American Philosophical Association Prize for Excellence in Philosophy Teaching. 2022.

Marion and Jasper Whiting Foundation Fellowship. 2022.

Mount Holyoke Faculty Teaching Award. 2022.

President of the Society for the Metaphysics of Science. 2022-2023.

Distinguished Faculty Teaching Fellow. Mount Holyoke College. 2021-2022.
Visiting Fellowship at the University of Colorado at Boulder. Spring 2017.
Henry Merritt Wriston Fellowship. Brown University. 2016 — 2017.
The Harriet W. Sheridan Center for Teaching and Learning, Junior Faculty Teaching Fellow. Brown University. 2014 — 2015.

IN PROGRESS

— BOOKS —

Philosophical Issues in Quantum Theory. (Co-authored work with Ned Hall, Harvard University.) (Under contract with Oxford University Press.)

Routledge Companion to Philosophy of Time. (Under contract with Routledge Publishing.)

— PAPERS —

Configuration Space Realism & Fundamentality (co-authored work with Gabrielle Kerbel)

PRESENTATIONS — PAPERS —

'Naturalism Beyond the Limits of Science'

- University of Maryland. October 2022.
- University of Leeds. May 2022.
- University of Wisconsin at Madison. March 2022.
- As an invited session of the Eastern APA on metaphysics of science. January 2021.

'Self-grading in the Philosophy Classroom' at the Eastern APA teaching hub session on alternative grading. January 2022.

'Configuration Space Realism and Fundamentality'

- As a symposium session at the Pacific APA. 2022.
- The Nature of Quantum Objects Conference at the University of Geneva, November 2021.
- The 6th annual Society for the Metaphysics of Science Conference (online), September 2021.

'The Governing Conception of the Wavefunction'

- University of Toronto. March 2021.
- The Harvard Foundations of Physics Workshop. June 2020.

'Subjective and Objective in the Metaphysics of Science' at the Cal Tech Philosophy of Physics Group. February 2021.

'Quantum Correlations and the Explanatory Power of Radical Metaphysical Hypotheses' at ELLMM City at Yale. February 2021.

'What Was and What Could Be: What Makes Time Different from Modality'

- The California Metaphysics Conference at USC, January 2020.
- Colloquium talk at Amherst College, March 2019.

'Mooreanism in Metaphysics from Mooreanism in Physics'

- The New England Workshop in Metaphysics, Rhode Island College, December 2019
- Colloquium talk at UVM, March 2019.
- The MITing of the Minds Conference at MIT, January 2019.
- The Metaphysics Ranch Conference, January 2019.
- Colloquium talk at Vassar College. October 2017.

'The Governing Conception of Laws'

- The Modality, Laws, and Causation Workshop at Simon Fraser University (online). May 2020.

- The FraMEPhys Workshop on Grounding and Laws at Birmingham University, United Kingdom. June 2019.
- The Humean Laws Workshop at Harvard University. May 2019.
- The Metro Area Philosophy of Science Group at NYU. April 2019.
- Keynote at the MARI Graduate Conference at UMass Amherst. April 2019.
- The Explanations Across the Disciplines Conference, Middlebury College. September 2018.

'Temporal Ersatzism and Relativity'

- The International Association for the Philosophy of Time Conference at the University of Colorado, Boulder. June 2019.
- Philosophy of Time Society Group Meeting. Pacific APA. April 2017.

'The Explanatory Role Argument and the Metaphysics of Deterministic Chance'

- The 34th Committee on the History and Philosophy of Science Conference, University of Colorado at Boulder. October 2018.
- Foundations of Probability Seminar at Rutgers University. September 2017.

'Laws and their Instances'

- The Inaugural Balter Distinguished Lecture at UNC Chapel Hill. April 2017.
- Metaphysics on the Mountain II. Sun Valley, ID. March 2017.
- Colloquium talk at the University of Colorado Boulder. February 2017.
- The Ground in Philosophy of Science Conference, University of Geneva. September 2016.

'Actualism without Presentism: Not by way of the Relativity Objection'

- The SPAWN Conference. Syracuse University. June 2017.
- The International Association for the Philosophy of Time Conference at Lake Garda, Italy. June 2017.
- The Early Career Workshop in Metaphysics, Fordham University. April 2016.
- Colloquium talk at Dartmouth College. April 2016.

'Against Radical Quantum Ontologies'

- RISD Digital+Media Visiting Speaker Series. November 2016.
- Colloquium talk at CUNY Graduate Center. September 2016.
- The 2016 Society for the Metaphysics of Science Conference, University of Geneva. September 2016.
- The Vancouver Summer Philosophy Conference, University of British Columbia. August 2016.
- The Midsummer Philosophy Workshop, University of Cambridge. June 2016.
- The Philosophy Desert Workshop. April 2016.
- Colloquium talk UMass Amherst. February 2016.

- Colloquium talk at Rhode Island College. February 2016.
 - Colloquium talk at the Brown University Physics Department. 2013.
- ‘From Observables to Ontology in Quantum Mechanics’
- The Grounding in the Quantum World Workshop, University of Neuchatel, Switzerland September 2016.
- ‘Production and the Passage of Time’
- The International Association for the Philosophy of Time Meeting Panel on Time and Causation, Wake Forest University. June 2016.
- ‘Deterministic Chance as Emergent Chance’
- The University of Colorado at Boulder Conference on the History and Philosophy of Science. October 2015.
 - The Chance Encounter Workshop, University of Groningen, Netherlands. June 2016.
- ‘A Naturalist’s Guide to Objective Chance’
- The Society for the Metaphysics of Science Conference, Rutgers Newark. September 2015.
 - The Young Philosophers Lecture Series, DePauw University. September 2015.
 - The Chance and Conditionals Workshop, University of London. June 2014.
- ‘Temporal Uniformity and the Governing Conception of Laws’
- MIT Work In Progress Seminar. February 2015.
- ‘Actualism without Presentism? Not by way of the Grounding Objection’
- The Philosophy Mountain Workshop. February 2015.
 - Keynote at the Schapiro Graduate Conference at Brown University. November 2014.
- ‘The Metaphysical Implications of Counterfactual Skepticism’.
- Brown University, January 2012.
